- Organizational Chart and processes

- **Nature and involvement of Faculty and students in academic affairs / improvements**

The institute stresses on two-way communication and participative mode of teaching guided by the principle of “Learn, Un-Learn and Re-Learn”. The Bangalore university syllabus is followed to keep it abreast with the current requirement of the industry. As industry experts constitute a considerable remark in the students, their experiences are shared in the classroom to have a blend of academics with industry. Apart from traditional pedagogy of chalk-n-talk, case studies, role plays and PowerPoint presentations etc. students are encouraged to read business dailies and magazines and discuss the recent happenings in class in the light of the theoretical inputs received in class. Such discussions are usually in the form of presentations or group discussions. The institute supports research-based study by encouraging students to do assignments which require exploring facts and database outside text and reference books. Participation in seminars, workshops, conferences, talk shows and writing research papers by the students are encouraged. The students are assigned the responsibilities to conduct similar events in the Institute so that they can gain first-hand experience in management. The institute organizes regular workshops, lectures by eminent persons from Industry to enhance the employment potential of the students. Requirements of students and their feedback are considered seriously.

- **Mechanism / Norms & Procedure for democratic / good governance**

The Institute believes in collective efforts, symbiotic relationships and participative management. The management, faculty members, administrative staff and the students are all integral parts of the Institution. They all participate effectively in the running of the Institute. A belief of mutual benefit is embedded in everyone at the Institute irrespective of his or her hierarchical position. Cordial relationships are maintained. Transparency in operations and conduct is accorded top priority which has helped in creating an environment of fraternity in the Institute. There are structured committees to redress grievances, should there be any and a dedicated email id (info.gteducation@gmail.com) is there in the home page of the website of the institute which is accessible by anyone at the Institute to intimate the concerned committee about his / her grievances.

- **Student Feedback on Institutional Governance & Faculty performance**

Institute has a well-structured feedback form which covers all the relevant aspects of faculty members such as depth of the course content delivered by the faculty members, communication skills, applicability / relevance to management issues of the content delivered etc. and relevant aspects regarding the institute such as the status of library, computer lab, language lab and other facilities, grievance redressal and any other matter which the students feel necessary for the improvement of the Institute. The feedback form is circulated amongst the students bi-annually and feedback is collected from them maintaining confidentiality. The collected feedbacks are then collated and analysed to generate report and placed in academic committee meetings for inviting suggestions for improvements and measures are taken subsequently

- **Grievance Redressal mechanism for faculty, staff & students**

Democratic process of running the Institute and good governance system has ensured a cordial and amicable environment

at the Institute. In the most unlikely event of grievance of any one at the institute, there are structured committees to redress such grievances.
